The Cadre Controlling Authority (CCA) of the concerned Zone/Formation, to which a candidate is allocated, thereafter, issues the offer of appointment. ## **Manual for working on Zone/Formation Allocation Preference Module**

DGHRD is introducing On-line Zone/ Formation Preference Module for Direct Recruited candidates. This module replaces existing manual system of submission of zone/formation preferences by the selected candidates and captures all the preferences of the candidates in the module.

At present, after recruitment is done by SSC for the vacancies in various posts, CBIC calls for the options/preferences of zone/formation from the selected candidates. Once the options/preferences forms of the candidates are received, they are manually entered in an excel format and after completion of this exercise the data is uploaded on CBIC website for candidates to verify their preferences. Once preferences are verified, zone/formation allocation of the candidates is done manually based on the laid-out rules and guidelines on the basis of merit. However, this whole process, being done manually is tedious and time consuming with high probability of errors. Hence, the present module is developed, which will enable the selected candidates to submit preferences on-line. This will speed up the process and ensure minimal errors for allocation of selected candidates in effective and efficient manner.

**Following are the steps to be followed by the newly recruited candidates for submitting their preferences:**

**Step 1:** Candidates need to open <https://dghrdcbic.gov.in/allocation> link and login into the module with the following credentials as shown below:

The screenshot shows the login interface for the Directorate General of Human Resource Development. Below this, there are four input fields: 'Roll Number:' (with placeholder '999999999'), 'Mobile No.:' (with placeholder '999999999'), 'Email Address:' (with placeholder 'abcdef@xyz.com'), and 'Validation code:' (with placeholder '5fcq37'). A 'Genrate OTP' button is located at the bottom of the form.

Candidate needs to enter his/her SSC Roll Number, Mobile number & Email ID shared with SSC and validation code shown. After filing up these details' candidate needs to click on Generate OTP button.
